

# Gay and Lesbian Activists Alliance Rates Candidates in the Tuesday, November 4, General Election

## FAIR • OBJECTIVE • THOROUGH!

The Gay and Lesbian Activists Alliance of Washington, D.C. (GLAA) has rated all D.C. Council candidates who are running in the November 4 general election, on a scale from -10 to +10. These ratings are based on each candidate's responses to the questionnaire and on their record on public health and AIDS, marriage, public safety, education, and other issues related to equal rights for gay, lesbian, bisexual, and transgender people in the District.

GLAA maintains a tradition of fairness and objectivity in evaluating all candidates. The following ratings should not be interpreted as endorsement of any candidate. GLAA does not endorse candidates in partisan races.

All candidate responses to GLAA's questionnaire, rating breakdowns, and a comprehensive guide to current issues, *Agenda: 2008*, may be viewed at [www.glaa.org](http://www.glaa.org).
