Founded in 1971, the Gay and Lesbian Activists Alliance of Washington, DC (GLAA) is an all-volunteer, non-partisan, non-profit political organization that defends the civil rights of lesbian, gay, bisexual and transgender people in the Nation's Capital. GLAA lobbies the DC Council; monitors government agencies; educates and rates local candidates; and works in coalitions to defend the safety, health and equal rights of LGBT families. GLAA remains the nation's oldest continuously active gay and lesbian civil rights organization.
